DISCOVERY COLLECTION

THE WINE

Inspired by the renowned rosé wines of Provence, France, our 2020 DAOU Discovery Collection Rosé remains faithful to its origins. This wine is remarkably fragrant, offering generous aromas of fresh peach, Bartlett pear and nectarine, with subtle notes of hyacinth, apricot and crushed rose petals. The palate is delightfully silky, underlying a clean, fresh crispness delivering enticing flavors of mango, Crenshaw melon, lemon chiffon and tangerine. Secondary layers reveal hints of sweet cherry and vanilla with orange peel accents. A luxurious and lasting finish leaves traces of apple pie, strawberry and kiwi.

THE VINTAGE

DAOU Discovery Collection wines represent our passion for approachable luxury. Winemaker Daniel Daou has cultivated deep connections with families of growers for numerous vintages, allowing him to maintain absolute quality and consistency. The 2020 growing season began on a dry note, followed by much-needed rain in April that replenished the soils and set the stage for healthy canopy growth. Conditions through midsummer remained mild and steady, with the exception of a rare August thunderstorm. The wines of 2020 are marked by voluptuous mouthfeel with considerable flesh and power.

DAOU FAMILY ESTATES

Family owned and operated, DAOU Family Estates is committed to producing collectible, world-class wines to rival the most respected appellations in the world. Situated on a 212-acre hilltop Estate in the Adelaida District of Paso Robles, our remarkable geology, favorable microclimate, and high elevation were once described by renowned California winemaker André Tchelistcheff as “a jewel of ecological elements.” As stewards of this beautiful terroir, DAOU’s goal is to make unique fine wines that honestly and accurately reflect the potential of the Estate and to craft Bordeaux style wines that combine Old World tradition with New World techniques.
